Poll Shows Citizens Balk At Stand On Recall Issue

Daly City residents are apparently reluctant to voice their opinion on the recall movement by the Better Government for Daly City group against city councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi.

In an informal poll taken by the Record only seven out of 50 people queried would state a definite opinion, and three of these would do so only if their names were not used. Four of the seven definite answers favored the recall movement.

The councilmen are charged by the group, led by city treasurer Paul Selmi, with disregarding the rights and wishes of the people, sanctioning questionable bidding procedure, and incompetence and permitting the violation of legally required fiscal procedures.

D. G. Turner, 195 Winchester, favored the recall, but said, "My opinion is personal." Mrs. Lysle Bobbitt, 301 Castle, who also was for the recall, was just as evasive when she answered, "for no particular reason."

Opponents Open Up

Those against the recall movement opened up a little more. Richard S. King, 17 Lake Meadow drive, said he didn't "see any legitimate basis for a recall." Paul F. Padgett, 79 Abbot avenue, was against the move, stating that in his dealings he found that "Mr. Vickers is an honorable man."

Of the remaining 43 people, 25, or half of those polled, said that they either weren't familiar with the situation or hadn't given the matter any thought. Of this group, 19 were women and six were men.

Eighteen persons said they hadn't made up their minds yet or wouldn't commit themselves to a definite answer. Typical of this group was Mrs. E. A. Lopez, 1154 Hanover, who said, "I'd rather not state my opinion one way or the other." "I'd rather not commit myself," stated Mrs. A. Eagen, 120 Los Olivos avenue.

Several people in this group said that they hadn't made up their minds yet. "We haven't made up our minds. It wouldn't be fair to say yes or no," replied Mrs. E. Varni, 114 W. Moltke.

"On The Fence"

"I've read about the recall, but I'm still on the fence," said George W. Streiff, 80 Fairway drive. Melvin J. Levy echoed Streiff by saying, "I've been reading the articles, but haven't formed an opinion yet."

Harold Freeman, 299 2nd avenue, was a little more willing to talk. He said; "I haven't formed an opinion yet, but it would have to be something pretty drastic to get me to put my name on a recall petition of any kind."

Mrs. Earnest Brewer, 248 Hillcrest drive, took a different stand by saying simply, "I'm neutral." "Frankly, I have no opinion," was the reply of Chris Gertz, 471 Bellevue avenue.

R. E. Fincham, a new arrival in Daly City, said that for this reason he'd "rather not comment."

RECREATION CHIEF GIVES RESIGNATION

James Mason, 28-year-old recreation director who has served here since 1952, will submit his resignation to the city council Monday night, THE RECORD learned.

Mason said he had received an appointment for a similar position in the city of Eureka, Calif., at a salary of $500 a month, $50 more than he now receives.

JAMES MASON
. . . Takes Eureka Post

A graduate of Stanford, Mason came to work here on December 15, 1952, and was the city's first full-time recreation director. He assumed the position that had been held part-time by Elman Rose, Jefferson High school mathematics teacher.

Mason said he considered the Eureka job "a professional advancement."

The director said his resignation would be effective May 1.

City Manager Howard Stites said no temporary appointment would be necessary to fill Mason's post, since the summer program would be completely set up by Mason before he leaves. The manager indicated that Ed Mosconi, a part-time recreation supervisor, would probably coordinate actvities until a full-time director is named. Stites said he would ask the personnel board to hold a competitive examination for the position immediately.

During Mason's tenure as recreation director, he was instrumental in developing the following programs: teen-age club, expanded archery, arts and crafts, softball league, 22-team children's hardball league, 20-team children's basketball league, community center activities, ball room and folk dancing, teen-age basketball league, adult basketball, a policy for use of the center by 50 different community organizations, Westlake recreation program.

The council is expected to accept Mason's resignation at Monday's meeting.

PTA Half Session Petitions Ready For Jeff Board Meet

RECALL NOT FILED IN TIME FOR APRIL 10 VOTE

Signatures will not be processed in time to put the issue of recalling three councilmen on the April 10 ballot, and a special $3000 election will be required, it was learned today.

Paul Selmi, leader of the recall attempt against Councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi, said today that his group had the necessary signatures but would not file the petitions with the city clerk until next Monday.

Under state law, the signatures on the recall petitions must be certified by the city clerk and the council must then call an election in not less than 35 nor more than 60 days. In order to place the recall issue on the April 10 municipal election ballot, the council would have had to call the election today, which was impossible.

A total of 1066 signatures, or 12 per cent of the 8884 persons registered on January 12 when the notice of intention to recall was published, are required, according to the latest ruling

There had been some conflicting opinions on the date from which the total registration would be taken, but Selmi said he had verified the January 12 date with County Clerk John Bruning

Petitions asking relief from double sessions will be filed with the Jefferson elementary school district board of trustees at their meeting Wednesday night, Mrs. Edward A. Macklin told THE RECORD today. Meanwhile, Superintendent H. Z. Weibel reported that the district had not yet received requested information from Henry Doelger concerning possible convertible classrooms near the Abraham Lincoln school.

Mrs. Macklin stated that she could not give the number of signatures on the petitions at the present time, pending a count early next week.

Specifically, the petition asks that the board relieve the double session situation by leasing or renting temporary buildings as soon as possible.

Doelger Classrooms

Suggestion that the district investigate possible acquisition of Doelger residences for use as temporary classrooms was first made by representatives of the James L. Snell PTA committee to end double sessions several months ago. The plan hit a snag when Doelger failed to answer a letter from the district requesting needed information.

In other business at next Wednesday's board meeting, trustees will:

1. Refer the $25,000 Bullis claim to the insurance carrier.

2. Refer suit by the A. F. Stewart company to the district attorney.

3. Open bids for a bookkeeping machine and Olympia school blacktop.

4. Further consider purchase of the Pozo property.

5. Consider teachers' association plan for collecting funds for the Columbia grammar school.

Confab Request

6. Hear a request for staff personnel to attend the Bay Section California School Supervisors association confab at Sonoma on April 20 and 21.

7. Enter an agreement with San Francisco State college to take seven student teachers in the Spring semester.

8. Hire teachers for the 1956-57 term.

9. Hear a staff report on the academic achievement of seventh and eighth grade students.

10. Adopt resolution of acceptance of deed for 659 Hanover street, to be used as an additional classroom for the General Pershing school.

11. Hear informal reports on the recent trustee and superintendent conventions

12 Consider a letter from the sanitation district requesting sewer information on future schools.

Board To Seek State Aid For Broadmoor

San Mateo county supervisors agreed Tuesday to ask state aid in financing a $185,000 flood control project for Broadmoor. County engineer M A. Grant submitted this estimate to the board.

In his report, Grant said that the required improvements are very costly Drainage conditions must be corrected in this area if further flooding is to be eliminated.

In Broadmoor additional drainage facilities are needed at these locations:

1. From the end of a culvert on 90th street near Sullivan avenue, through the Gustavino greenhouse property and Garden Village school site to a culvert under the ocean shore right-of-way to connect with facilities at Southgate avenue and Lynnewood drive. Cost, $43,200.

2. From Edgemar road to Heather road and Sweetwood avenue. Cost, $11,625.

Preliminary estimates will be submitted to Assemblyman Richard J. Dolwig who has promised to seek state financial aid.

D. C. BUILDING UP DURING FEBRUARY

A permit for the construction of the $2,508,676 Westmoor high school raised the value of building in Daly City for February to $2,781,178, an increase of more than $2,000,000 over January and higher than any month in 1955.

In addition to the new school, 19 dwelling permits, valued at $154,420, and 12 alterations, value $8,657, were also issued. A total of 50 permits were issued during February.

Planners To Hear Four Applications

Four applications will be heard by the Daly City planning commission at their regular meeting Tuesday night.

Up for consideration are: petition for amendment of ordinance No. 294 by William and Ricco Lagomarsino for rezoning lots 12, 13 and 14, block 20, Union Park, from residential to light commercial; request from John Incrocci, Associated Poultry company, for use permit for poultry processing market at 7096 Mission street; request from Wonderlite Neon Products Co. for use permit to install neon sign at 1901 Junipero Serra boulevard; request from C. Carraro & Sons for variance to move dwelling from 1 Canyon drive, San Francisco, to lot 42, Goethe street.

Other business includes discussing of Vista Grande school and final map of Westlake Unit 8-D.

STATUTORY RAPE IS DENIED BY YOUTH

A 19-year-old San Francisco truck driver charged with statutory rape of a 14-year-old girl in a Colma home on May 18, pleaded not guilty in municipal court yesterday and was held to answer to superior court.

Ray Sorrell, also known as Ray Farrell, address unknown, appeared for preliminary hearing and was represented by Attorney John Putkey.

Sorrell was arrested by Broadmoor police last week on complaint of the alleged victim's mother.

Tavern Owner Adjudged Guilty On Bookie Charge

Adolph Cecchi, 54, Colma tavern owner, was adjudged guilty of a charge of bookmaking Tuesday by superior court judge Aylett R. Cotton in Redwood City. Cecchi applied for probation, and judge Cotton set March 26 as the date for sentencing.

Cecchi was arrested February 3 when Broadmoor police agents from the district attorney's office raided a building across the street from his tavern, the Bocci Ball.

BRUNING DENIES LOW FIGURE ON RECALL

A story in a metropolitan newspaper to the effect that only 549 signatures would be needed on the recall petitions was branded as untrue today.

One story last weekend quoted Paul Selmi, leader of the recall against three city councilmen, as saying that County Clerk John Bruning had confirmed the 549 figure.

Bruning said today, however, that "I hadn't even talked to Selmi at that time."

The 549 was computed on the basis of 12 per cent of the voters who cast ballots in the last regular election.

Actualy, however, the 12 per cent figure should be taken from the number of voters registered at the time the notice of intention to circulate recall petitions was published on January 12, according to City Attorney Frank Blum. Since 8884 were registered at that time, the recall group will need 1066 signatures on each petition to force the special election.

By MONTE DAYTON

All the little kiddies from schools up and down the state, including those from the local districts, are donating their pennies and nickels to the very worthwhile project of restoring the Columbia school in that storied old Mother-Lode community.

But the community of Columbia would never have passed the pious present day school district standards which provide that there be no booze-dispensing establishments within some 600 yards of a school.

There are at least 10 taverns within a stone's throw of the school.

In those days, if a school was said to be too close to a tippling parlor they didn't close the establishments . . . they moved the school.

A source reports there has been no flag flying over city hall for some several weeks, because one department has neglected to make an allocation for purchase of the new banner.

H. H. SMITH JR. looks to be a man who believes that when you want a job done right do it yourself. At the quarry property at Mission and Hillside boulevard, where Smith is excavating land for erection of a super market, he was seen last week handling the heavy equipment himself.

Frailties of human nature: One lady, visiting Karl's Shoe Store in Daly City during the Dollar Days sale picked up two pair of $7.95 shoes, placed them on the counter and plunked down $2.

When informed the $1 price tag applied only to sale items, the woman rushed out in utter indignation.

Registrations for the primary election are the slowest in several years, it was revealed today by County Clerk John A. Bruning, who issued an appeal to citizens of the county who have not registered to do so at once.

"Following the 1954 general election, we removed from the rolls all persons who had failed to vote during that year. This wholesale renovation of the voter list cut 38,000 from the registrations. So far only a small percentage of this number have registered anew," Bruning said.

Despite the tremendous growth of the county we now have only 138,143 registered voters, compared to 159,917 in 1954.

At this same time in 1954 we had 145,287 registered voters. This means that many people are not going to be able to go to the polls at the primary election, Tuesday, June 5 and there will be many disappointments.

"Registrations for the primary election close on April 12, which gives just about a month for citizens of the county to register. There are deputy registrars in every city of the county and their names and addresses can be determined by contacting the county clerk's office. In each city, the city clerk at the city hall is a registrar and people may register at the county clerk's office in the courthouse, Redwood City. It is not necessary to register in your own community, any deputy in any part of the county can register you providing you reside in the county." Bruning declared.

Registrars in this area are:

May Call For Bids Monday On Hillside Blvd. Re-Paving

City Council may call for bids next Monday night on the $29,000 Hillside boulevard re-paving project.

City Engineer Cyril Weiler told the council Monday night that plans would be completed within a day and that the project could be launched as soon as state and county approval was secured. The county is contributing approximately one-third of the cost of the re-surfacing job.

City Manager Howard Stites said once contract was let, the job could be completed in about two weeks.

Mayor Joseph Verducci urged Stites to proceed as fast as possible with the project.

WOMAN ATTEMPTS THIRD SUICIDE

A Daly City woman, contemplating divorce, attempted suicide for the third time by swallowing an unknown quantity of aspirin and cough medicine Wednesday afternoon.

Shirley Correa, 31, 18 Palmdale avenue, was found unconscious at her home by police sergeant David Hansen after a neighbor, Adrian Sousa, was unable to revive her. Mrs. Correa was rushed to Junipero Serra hospital for treatment, and then sent to Community hospital for observation.

The victim's son, Peter, 12, came home at noon, thought his mother was sleeping and did not disturb her. He returned about 6 p.m. and, unable to awaken her, called Sousa, who in turn called police.

Her husband, Willie Correa, said that he and his wife had been contemplating divorce, and that this was her third suicide try.

School Contractor Files $5375 Suit Against Jeff District

A. F. Stewart, contractor for Colma school, has asked payment of $5375 from the Jefferson elementary school district in a suit to be presented the board of trustees at their meeting Wednesday night. The contractor, through the United Pacific Insurance company, alleges that payment is due under a 1952 contract for additions to the school.

The plaintiff admits in the suit that completion of the school was delayed 185 days after the August 30, 1953, deadline. The suit states, however, that the architect authorized an extension of 93 days without penalty.

Under the contract, a $25 penalty was levied for each day's delay, thus bringing the total penalty to $4625, the suit says.

The school district held out $10,000 of the original $685,985 contract.

Superintendent H. Z. Weibel told THE RECORD today that the district refused to pay the $5375 in order to compensate for extra inspector fees and for money expended for rental facilities for classrooms, both due to the contractor's delay.

Besides the $5375, Stewart asks interest of seven per cent per annum from July 9, 1954, and plaintiff costs.

Weibel reported that the suit would be referred to the district attorney.

HILLSIDE OWNERS INSTALL '56 OFFICERS

Hillside Improvement association installed officers for 1956 Wednesday night, with Mayor Joseph Verducci officiating at the ceremonies.

Installed for a second term as president was Don Lesher, who was presented with a gold gavel pin for his past year of service.

Other officers installed were: John Savage, vice president; Joyce Winters, recording secretary; Al Race, treasurer; Beverly Cassidy, corresponding secretary; Ben Silber, sgt. at arms; Carlos Holmes, Clay Dodge, directors for Callan Heights; Vic Zolezzi and Jack Wolorento, directors for Garden Valley; and Joe Perrone and Noro Silber, directors for Teresa Terrace.

One More Dancing Hour Sought By Tavern Owner

John Porter Trimble, owner of the Casbah, 6192 Mission street, appealed to the city council Monday night to extend dancing hours to 2 a.m. because the present 1 o'clock closing time is creating a "hardship" on him.

Trimble claimed that he was "rapidly losing customers" to nearby dancing establishments in San Francisco because of Daly City's recently enacted dance ordinance, which stipulates a 1 a.m. closing time.

The tavern owner claimed that other communities allowed dancing until 2 a.m. and "there's no reason why Daly City shouldn't."

City Manager Howard Stites said that the city had conducted a survey before adopting the 1 a.m. closing, and had learned that one-third of the cities had an earlier than 1 a.m. closing, one-third have adopted the 1 a.m. deadline, while one-third allow dancing after that hour.

Originally Chief Roland Petrocchi had recommended a 1 a.m. closing because it was "easier to police" the establishments.

"I'd like you to give me a chance," said Trimble. "Even with a 2 a.m. closing I'd stop all dancing at 1:45 a.m. I want to give the public the feeling that they can still visit my establishment up until 2 a.m."

Councilmen decided to re-submit the matter to Petrocchi for a recommendation.

Police Chiefs Agree Pinball No Problem

County police chiefs agreed Tuesday at a meeting held in San Mateo at the invitation of sheriff Earl B. Whitmore that pinball machines present no problem and need not be banned.

In complete accord the chiefs attributed the current public furor over the machines to an isolated crusade started by some well intentioned ladies.

The gathering was prompted by a request made by the county board of supervisors last week to sound out officials' opinion, after a campaign by the Redwood City woman's club to ban pinball machines throughout the county.

Among those present was Daly City police chief Roland A. Petrocchi, who said that his department has made only one arrest as a result of a department complaint. Most chiefs said they have had few, if any, calls about pinball.

Authorities said the crusade, and charges that there are widespread payoffs and that the machines contribute to crime, stimulation of gambling and juvenile delinquency, are without foundation.

The officers present generally

That is where City Manager HOWARD STITES formerly served.

Wonder what the recall's undercover agent will come up with? Stites held the same job there some 17 years, and his departure was much-lamented, according to letters collected by the local city council before they hired him.

Local Democrats and Republicans alike, as well as other members of both parties throughout the county, have expressed some concern over the practice of "screening" candidates to carry the party banner in the primaries. Those who aspire to the endorsement must sign a statement that they will not run in event they do not get the party nod

More and more the opinion is that this circumvention of the direct primary is defeating the basic idea of having the rank and file party members select their own candidates.

After the signatures have been filed, they must be certified by the city clerk as being valid. This can take up to 15 days. After this time the council will have to order a special election, which will cost an estimated $3000.

At the outset of the recall proceedings, Selmi said his group hoped to get the signatures in time to allow holding of the recall election on the same date as the regular election, thus saving costs of conducting a special vote.

Apparently, however, the recall group was unable to obtain the necessary signatures in time.

Selmi said his group would continue soliciting signatures right up to the time the petitions are filed.

IT'S A LONG TIME RIPENING

After 10 years of effort by the Chamber of Commerce, merchants and civic leaders, the nearby City of Burlingame has approved formation of a $660,000 downtown parking district.

Those in Daly City who have been discouraged because major plans and surveys for adequate parking have apparently been pigeonholed, should review the history of the problem in Burlingame. It took 10 years, and even then it was voted in by a narrow 3-2 majority.

Everybody, citizens and merchants alike, are quick to voice their complaints about lack of parking, particularly in the Mission street sector.

One Burlingame councilman observed Monday, in balloting in favor of the parking district said, "We are already about 10 years behind other Peninsula cities on parking."

He forgot Daly City.

Burlingame would appear to be about 10 years ahead of Daly City in the solution of its parking quandry, since fruition of a parking program here is probably that many years away. That is not a pessimistic outlook, either, but a realistic estimate based on the histories of other cities in resolving such problems.

The objections to such a parking district are stock: merchants who might be more than a block from the parking area feel they have been neglected; and taxpayers maintain the providing of parking is a burden which the merchants should bear.

A Daly City parking authority was formed last year but has practically become defunct because its members felt the council was only giving lip-service to their recommendations.

But the parking authority members must remember that, though their proposed parking project might be the best possible solution, it cannot be undertaken at the expense of the general operation of the city.

The local parking authority's master plan was in many ways like that recently adopted in Burlingame. It called for condemnation of buildings in several blocks, as does the Burlingame plan.

While the Daly City parking authority gave several methods of financing the district, Burlingame adopted a plan under which the city and the merchants will share jointly in the costs.

The mechanics are unimportant for the present. The encouraging fact is that a parking plan can bear fruit.

But in Daly City, as in nearly every other community, it is a long time ripening.

D.C. Police Recover Stolen Motor Bike

Daly City police officer George Brooks recovered a stolen motor bike Tuesday afternoon in front of the Westlake Auto Service, 730 Bellevue street, after a juvenile he had been chasing abandoned it there.

Brooks gave chase after the youth went through an arterial stop sign at Evergreen and Hanover streets. Brooks continued the chase on foot after the youth abandoned the vehicle, but the suspect escaped.

The bike, valued at $700, was kept as a suspected stolen vehicle, and it was learned that it had been stolen in San Francisco from Gunther Kossack, 432 Guerrero street.

S.F. Painter Pleads Not Guilty On D.C. Bad Check Charge

Preliminary trial for James Wilber Satterfield, 999 Fell street, San Francisco, accused of passing a bad check January 27 at Jack's Place, 6456 Mission street, was set for next Thursday when he pleaded not guilty in Municipal Court Tuesday.

Satterfield was picked up by Daly City police at the San Francisco Hall of Justice. The 29-year-old painter had been picked up in San Francisco on a bad check charge and released on bail.

Keith Anderson, manager and bartender of Jack's Place, said he accepted Satterfield's payroll check since the suspect was well known by other patrons. Because Anderson didn't have enough money to cover the $90 check, Satterfield accepted $20 part payment and said he would be back to get the rest.

DC Custodian Enters Not Guilty Plea To Assault And Battery

Not guilty plea was entered in municipal court Tuesday by Walter Spencer, 35, custodian of 351 Rhine street. Spencer is charged with assault and battery by his alleged victim in a tavern brawn, John Teahan, 51, 58 Bepler street, and with disturbing the peace by local police.

Teahan claims that Spencer knocked him unconscious when Teahan attempted to defend a woman customer against the custodian's profanity on February 19. Police officers, called to the scene by a cab driver, said they found Teahan lying "in a pool of blood."

Trial is scheduled for March 29 before Judge Thomas L. Bocci.

City Candidates Tell Platforms

Joe Verducci

Mayor Joseph Verducci today reiterated his long-time policy of "strict law enforcement to keep Daly City a clean town."

I want it definitely understood," he said, "That if re-elected to the city council I will not tolerate any illegal operations in this city. I will vigorously work for prosecution of any violators, as I have done in the past."

Verducci, professor and director of athletics at San Francisco State college, has long been a foe of vice and as mayor and councilman has done much to rid Daly City's name of connection with unsavory activities.

Since he took office the police force has been doubled, while services in protection of life and property have practically tripled.

In recent months the training and costs have paid dividends. The Daly City police have made arrests recently which have been commended by other law enforcement groups.

The city's three-year traffic safety record is equalled by only a few cities in the United States.

"As long as I am in office," the mayor continued, "I will fight vice and illicit activities with every resource at my command. It is for this reason that I have long campaigned for high caliber personnel and top-notch equipment in the police department. If re-elected, I will maintain a policy of close surveillance over illegal activity and will work on behalf of our police department so that it can enforce the laws of this city."

Director of the athletic department at San Francisco State college and formerly head of the department of welfare and morale at the Alameda Coast Guard base during World War II, Verducci has wide background of administrative experience. He is a popular Bay Area sports personality. His campaign slogan is "Keep Daly City in Business," which summarizes his abilities and qualifications to keep the operation of Daly City on a business-like basis.

SAM GRADO

I have told you what I would like to see accomplished for Daly City and why I believe I could help to make my platform a reality: active Civil Defense program, further development of a Park and Recreation program, completion of the War Memorial Building within the city budget, an harmonious government, and subsidizing of the school program by the State and Federal government.

My campaign for election to the City Council has been conducted without political promises to any person or groups of persons. Therefore, I will not be obligated, if elected as a councilman, to use my office to further personal gains of anyone or groups of persons. It is my contention that Daly City could progress along constructive lines much faster if the persons holding public office were free of pressure from various groups anxious to further their own interests. If elected to office, it would be possible for me to represent fairly the majority of the people rather than any minority.

In short, it is my desire to be a servant of the public rather than a "politician."

Government is the biggest business in the world today. It is your business!

Elect Sam Grado who will administer it for the good of all the people.

JANE KEITH

The word "Cooperation" and the lack of it in Daly City politics has been much in the news of late.

Most of the lack we feel, comes from the incumbent and my opponent for the job of Treasurer of the City of Daly City. And this is no mere personal bias, but a comparison of this man's actions with the Webster's Dictionary definition of the word "Cooperate": "To act with another; to concur in producing the same effect." . . . "Cooperative": "operating jointly to the same end." . . . "Co-operatore:" "One who cooperates." . . .

In our estimation, Webster's definition of the word "Operate" is more closely allied to our present Treasurer's approach to City Government! Webster's says: Operate—"to work; to act, to produce effect; to exert moral power or influence. To act; to effect, to drive, as a machine." . . .

The present City Treasurer has worked—at his own business which is Real Estate and Insurance. He has had an effect on the City Government—by so disrupting the processes and distorting the precepts of that form of government we call "Democratic" that we, as taxpayers, are having to foot the bill for hundreds of man hours wasted on political will o' the wisps and inedible red herrings.

He has not exerted, but rather perverted, the moral power and influence of public opinion with his use of the Johnstone case as a brace for himself and his political aims.

"To act; to effect; to drive, as a machine" is, in effect, what Mr. Selmi seems to be trying to do with the City of Daly City. Why else operate in any way with any of has he found it impossible to co-the City officials—even those with whom his books must check and balance according to the law?

Reminds me of the times when as a small child I would go into a corner and sulk and sulk and sulk. My mother, always a great believer in the majority vote, would give my sulks a cold shoulder and say "Everybody's out of step but Jim—and believe me—Jim had better change his steps!"

On April 10, you voters will have to decide whether you—or "Jim"—are out of step. My efforts now and in the future will be dedicated to a "no sulks" Daly City!

Peter J. Becker, Jr.

It is with regret that I have withheld making any statement regarding my position and reason for entering my name as a Councilman for the City of Daly City.

I had previously stated that there were certain facts that should be clarified in my mind before stating my position to the voters of Daly City:

To the source by which the rights and privileges of some of our citizens were so unjustly refused and denied.

To know the necessary action to take to justify the future of our children for an adequate education.

To know what cooperation that I might receive from the citizens of Daly City in the course of action to take to make Daly City a better place to live and free our city of all political mismanagement and the misunderstandings in the matter of monies.

Many of the citizens of Daly City require no introduction to me or of my position in civic affairs in the many years past.

On behalf of our new and most welcome citizens and taxpayers, I shall try in my most humble way to enlighten them.

I have been a resident taxpayer in Daly City for the past 30 years. I am known to many, both in fraternal, social and civic organizations, also taking part in many public and civic programs. Serving as lone citizen in many instances in taking part in civic and progressive programs in Daly City, knowing full well that our city was bound to grow by leaps and bounds and would attain a population of some 30,000 residents and even greater.

So let us not forget but rather be well reminded of the good that was done and the accomplishments made, whereby it was possible for our city to grow. Give credit to those who laid the cornerstone for a greater Daly City.

My position on the Daly City Council is that of one who is strictly independent, representing labor. After all, are not the laboring peoples of Daly City likewise taxpaying citizens?

It is my sole purpose to show the citizens of Daly City whereby a Public Works Program can be organized and be self-sustaining and a lesser burden on the Daly City taxpayers.

The people of Daly City will well remember Peter J. Becker Jr., if elected, as one of the most able and capable councilmen in their city government.

I hope that I have made my position clear and humbly await the pleasure of the citizens of Daly City and shall abide by their decision.

Edward J. Dennis

A good city official is the one who seeks public office for the purpose of rendering a community service, and not for personal gain.

Councilman Edward J. Dennis has demonstrated this dedication to community service.

The citizens of Daly City can be confident that by electing Dennis they will be selecting a candidate who is for the welfare of the city and is not seeking personal gain. His fine voting record is evidence of this.

Dennis has consistently voted as an individual on all issues and his policy is to continue to "do my own thinking" if re-elected.

"No city can prosper when five councilmen think and vote alike. And I will not be a party to government of this type," he said.

The city census which will be taken this year without a doubt will establish Daly City as the third largest in the county. "Therefore," Dennis said, "Your council representative must be for progress . . . for the older districts as well as the new subdivisions."

The revitalized street department, under leadership of our city engineer Cy Weiler, is about to embark on a complete street repairing and resurfacing program, Dennis said. "This work will be performed at no extra cost to the property owners, as the money is now available from the capital outlay fund as set up in the 1955-56 budget.

Dennis was instrumental is asking the city manager to speed up the removal of street car tracks from Mission street. After removal, the street will be re-paved.

Dennis, with approval of the council, also advised the state highway engineer to beautify the southern entrance to Daly City on El Camino Real.

PAUL HUPF

Attorney Paul Hupf, the candidate who will "Put Ability In Government," today outlined his program for attracting industry to Daly City when he is elected to office.

"The tax burden is squarely on the backs of Daly City's some 6000 homeowners," said the 34-year-old attorney and civic leader.

He pointed to the fact that in the neighboring community of South San Francisco, industrial and commercial property carries nearly 50 per cent of the tax load. "In Daly City," he said, "Industrial valuation amounts to less than 5 per cent, while residences constitute 95 per cent."

Hupf said, "This means the entire burden of paying taxes to provide municipal services falls on the individual homeowner.

According to Hupf, Daly City should offer reasonable inducements to attract industry and help sponsor ways and means of promoting Daly City's wares in conjunction with the local Chamber of Commerce.

"We should make known to industry every opportunity and asset our city has to offer. Industry is not going to come to Daly City. The city is going to have to reach out to industry with something to offer. Whatever benefits we can give these businesses will be repaid many times by the tax savings which will be realized by the small homeowner."

Hupf also called for a comprehensive planning survey to show potential areas which could be zoned for industry and commerce.

Hupf's intelligent approach to municipal government has already attracted widespread attention and Frank Pacelli, his campaign manager, said, "The citizens of Daly City are conscious of Hupf's ability and are rallying to help put this ability to use in Daly City's government."

Joseph Lewkowitz

May I quote, weigh each candidate, pick the one who will represent the people and use your good judgement. Don't be misled.

HARRY ROSS

In my previous statements, I referred to our City as a $27 Million Dollar Corporation, and its 27,000 residents as stockholders, vitally interested in dividends at a cost consistent with good business practices.

I offered my candidacy because, as a business executive and owner of my own business for over 30 years, I was shocked by the inefficient and unbusinesslike manner in which our city business is being conducted.

Even our present Mayor has agreed, if we can quote his public statement of February 29th, that "Big business concerns don't entrust their finances to amateurs. Neither does a city that knows where it is going."

I heartily agree but I must pose the question: Where is Daly City going and are we being led by experts or amateurs?

Our Mayor has also stated, "An informed public . . the key to intelligent government."

To qualify as one of the "informed public," I searched the records of this council; the evidence I have uncovered of mismanagement leads me to believe that I am a member of the "UN-informed Public." How informed are you?

Have they informed you?

That previous to our present city council, our tax rate was $12.95 per thousand dollars of assessed valuation, on a total value of slightly over $16 million dollars;

That although the tax assessment roll has risen 60% during the last four years, to its present height of over $27 million dollars, our tax rate is now $14.30 per thousand, a raise in the "tax rate" of over 10%, instead of the reduction we expected.

That a comparison of your 1954 and 1955 tax bills will prove that the assessment of all real property, within the City limits of Daly City, was increased 15% to furnish more tax dollars for our council's general fund, from which they apparently "Spend" and "Spend" and "Spend," without thought of value received!

That this council through its parking meters forces all of us to pay tribute to the City as a condition precedent to doing business with our Mission Street merchants; they have collected over $72,000, in pennies and nickels to date (pennies and nickels not reflected in our increasing tax rate) and have not purchased one single foot of "off-street" parking. . . parking vital to our merchants! Where has this money gone? Why, to the general fund, of course!

In a paid political advertisement, our Mayor has proudly proclaimed, "Services have nearly doubled since Verducci took office . . ." What Services?

What happened to the free garbage collection service? We in Daly City have long boasted of this service, but, not only do we now pay extra for garbage collection, but our present city council has discontinued the 25c discount in our water bills. Actually, this alone has raised our taxes $3 per year per taxpayer.

Our present city council evidently proceeds upon the premise that the Daly City public is neither informed nor expert. However, I believe that the residents of Daly City agree with me that we can no longer afford an "amateur" city council, and if I am elected City Councilman, I shall immediately attempt to restore sound, basic, business principles to the administration of your tax dollars.

LETTERS TO EDITOR

Citizen Lauds Local Police As "Finest"

Dear Mr. Bradshaw:

As you are aware, a short time ago the Daly City police department received some bad publicity which was perhaps a blow to all of the men on the force You could now perform a worthy service and lift the morale of these deserving men by reporting some of the good deeds they do. This would also call public attention to the fine work of the chief of police in developing some extremely courteous and efficient police officers.

As an example, on February 26 I arrived home at 11:30 p.m. after a hard day at the office and found that some unknown person had entered my house and set the night latch, making it impossible for me to open the door with my key. I called the police department and two officers in a prowl car responded almost immediately. Failing to open the door they called the fire department who also arrived quickly. With the use of ladders the firemen entered through a window and soon had me in the house.

Naturally since I was tired and out of sorts, I was extremely grateful for the prompt efforts of these men and offered them a gratuity to show my appreciation. However, Daly City's finest firmly declined my offer, courteously explaining that what they had done was only normal service to which a taxpayer was entitled.

However, my hat is off to these gentlemen and their superiors, for they clearly demonstrated outstanding courtesy, ability and integrity. I have only one question. Are the salaries of these men in keeping with the high caliber of their work? We certainly should encourage them to make a career of their jobs, so that Daly City will continue to have one of the finest police and fire departments in California

Yours truly,

H. A. Lincoln

Besides the cigarettes, the burglar escaped with an electric mangle and two tires, valued at a total cost of $264. Police said entry was apparently made into the store room through a window.

While he is home enjoying a 30-day furlough, Ted Gifford of Tallwood also celebrated his nineteenth birthday. Many happy returns, Ted.

A speedy recovery wish goes to Mrs. Olga Fontana on Citrus who is home to convalesce after her recent operation.

Mrs. Lee Lesher of Castle street was able to enjoy a few days of freedom before another seige of the measles hit the Lesher home. Now its Lynn's turn to patiently wait for all the spots to disappear. Who's next?

Seen having a wonderful time at the CPO club at Treasure Island was Ted and Betty Rasmussen of Wyandotte. After further inquiry I find that they were celebrating Betty's birthday.

The flu bug has taken its toll in the Rodriquez family on Brunswick street. We now find Mom (Grace) and her son LeRoy having a bad time of it. Even had to have the help of the doctor to get rid of the bug.

Tony and Katherine Ricci on Peoria street gave a family dinner party last Tuesday evening in honor of his mother, Mrs. Louisa Ricci. Many relatives (22 of them) arrived to help this Mom really celebrate her day in style.

Well it's that time of the year again, when the Brownies and Girl Scouts are going from door to door selling cookies and nuts. So let's help the girls reach that goal again this year.

It's been brought to my attention that some persons are very rude when these children go door to door selling. The first thing a Scout is taught is courtesy so let's try it too. People in general are very nice, but this item is meant for the others, and I think they know who they are.

Remember to call PL 5-5419.

Burglar Steals $70 From Hallway Shelf

Nicholas Van De Brock, 38, 142 Gambetta street, reported to police Monday that $70 had been stolen from a hallway shelf of his apartment sometime last weekend.

Van De Brock said that a client of a realty company came to look at the house over the weekend. The money, two twenty and three ten dollar bills, had been left on a shelf in plain view of the kitchen.

The landlord, Mrs. Herberg, who lives upstairs, is selling the house and had given the key to the realty company. The realtors, J. L. Franzetti, 607 Market street, said that one of their clients had looked at the house on the weekend.

A metal container with half-dollars in it, and a piggy bank full of quarters also on the shelf, were left untouched.

NORTHERN PENINSULA CHAPTER OBSERVES NATIONAL ORT DAY

Editor's note: This is the sixteenth of a series of articles on local women's organizations. THE RECORD will feature one of the groups listed in our files each week.

More than 75 years of achievement will be honored today (Thursday) by the Northern Peninsula chapter of the Organization for Rehabilitation Through Training. ORT Day, an annual national observance, was noted this year by no less a person than President Dwight Eisenhower who extended his "warm greetings and congratulations" to ORT chapters.

At celebrations held simultaneously throughout the United States, accomplishments of ORT are reviewed, and members and friends rededicate themselves to the task of economic rehabilitation which still lies ahead.

ORT Creed

"Help a man to help himself" is the creed of ORT. It was this philosophy that inspired Mrs. Norton Langley to form the third group of the peninsula region, known as the Northern Peninsula chapter after being granted its charter in 1952.

Wherever there are people who have had to flee from their homeland and make new lives for themselves and their families is where ORT is needed. The World ORT Union was established in Europe in 1880, more than 75 years ago, for the purpose of integrating Jewish people into the productive community in which they lived. Women's American ORT is affiliated with the World ORT Union with national offices in New York City.

World-Wide Service

Accomplishments of ORT can be seen in almost every part of the world. ORT schools in 19 different countries are staffed with teachers from its own teachers' training institute in Anoires, Switzerland and Paris. All teachers are trained under ORT's scholarship program.

At present there are 18,000 students attending ORT schools learning hundreds of different trades and skills. Another phase of the program is to maintain the schools with machinery and equipment and to furnish the student upon graduation with the necessary tools to begin a trade.

In many instances, a student is without a home of any kind and the ORT school is his home. This facet of ORT's work is known as its guardianship program and also includes health clinics.

Up Living Standard

In some depressed areas where ORT has been able to equip just one young member of a family with a trade, the person has been able to give his entire family a much improved standard of living. In other instances, a diploma from an ORT school can mean a passport to a land where he can live in dignity.

Members of the local chapter, besides being a social group, devote their efforts to achieve the goals of Women's American ORT through such endeavors as fashion shows, card parties, rummage sales and even a Dutch auction. Meetings are the second Thursday of each month.

Today's ORT Day celebration will be held at the home of Mrs. Herbert Zelinsky, 91 Eastgate drive, at 8 p.m. A film entitled "The Mellah," showing the work of ORT in North Africa, will be shown.

Officers

Officers of the group are Mesdames: Kurt Goldstrom, president; Herbert Zelinsky, first vice president; David Skootsky, second vice president; Albert DeNola, third vice president; Sam Peitchel, treasurer; Julius Geller, financial secretary; Max Oberlander, recording secretary; Irwin Lefcourt, corresponding secretary.

Committee chairmen are as follows, Mesdames: Isaac Goldberg, chaplain; Melville Prince, health chairman; Norton Langley, membership; Herbert Zelinsky, program; Edgar Hart, hospitality, and Isaac Goldberg, bulletin.

Other members are Mesdames: Eugene Cohen, Armand Cohn, Ernest Hartmann, Abe Ight, Elias Mines, Bernhard Reinherz, Abe Sanoff, Morris Skulsky, Lily Talmadge, John Tyler, Vera Barr, Jack Bresler, Lucy Kullman, Maurine Mendell, Reuben Pinkus, Charles Wine.

DALY CITY MAN TAKES OWN LIFE

A 52-year-old Daly City man was pronounced dead on arrival at Junipero Serra hospital Saturday after apparently committing suicide by shooting himself in the head.

Dead is Egidio Ricordo, 52, 61 West Moltke street.

Police were called to Ricordo's home at 4:40 p.m. by a neighbor, William Leis, 85 West Moltke street, who said that Ricordo had just fired two gun shots. Ricordo was found lying on his basement floor.

When officers found only one bullet through Ricordo's head, they feared that the other shot had been directed at someone else inside the locked house. Breaking in, they found an empty house.

Mystery of the missing bullet was cleared up, however, when Mrs. Leis told officers that Ricordo had fired one of the shots into the air.

Funeral arrangements were pending at Valente, Marini, Perata and company.

REPORTS AUTO PLATES STOLEN FROM MAILBOX

Raymond Scocca, 673 Hillside boulevard, reported to police Monday that his new license plates had been stolen from the vicinity of his mailbox.

Scocca told police that an unidentified woman came to his home Monday and gave him the empty license plate envelope and the white and pink tags, which she said she had found on the street.

ORT DAY, national observance honoring more than 75 years of achievements, is today (Thursday) being celebrated by the Northern Peninsula chapter of the Organization for Rehabilitation Through Training. Here members prepare for one of their many activities, a Dutch auction to be given March 17 at 8:30 p.m. at the Orange Avenue recreation building in South San Francisco. Shown here are Mesdames: (left to right, seated) David A. Skootsky, Kurt Goldstrom, Samuel Peitchel, Norton Langley, (standing, left to right) Max Oberlander, Herbert Zelinsky and Julius Geller.

BECKER FOR COUNCIL

The reason I have not previously taken advantage of the offer of the local paper to insert a weekly statement on my candidacy is that, an as independent candidate, I wished to check and recheck my facts before I presented them to you.

As a resident of Daly City for over 30 years, I have become semi-immune to the squabbling and petty quarrels of our city fathers but as a taxpayer and homeowner, I still have a vital interest in our city government.

I wish all of you could have had the opportunity to attend the city council meeting and witness the proceedings the night that our City Treasurer, Paul Selmi, explained his side of the controversy regarding the irregular transfer of funds by the same members of the city council who now plead with you to return them to office.

After two hours of discussion, during which "Coach" Verducci requested that Treasurer Selmi address his remarks to the city council and not to the audience, the City Controller (appointed by the present city council) admitted that the statement of expenditures he forwarded to Mr. Selmi was in error. In other words, the city council was wrong! The City Attorney was wrong! The City Manager was wrong! The Controller was wrong!

And how did our "Coach Mayor" behave? He stated in conclusion that in his opinion the city council should adopt a new system, so simple that even Mr. Selmi could understand it!

I think that statement should be reversed and refer to our city officials who seem unable to fathom a simple business transaction.

Previously to this time, I had not taken a position for or against the action of the council in this matter because I was not familiar with all the facts. After personally witnessing the outcome, I firmly believe that we, as taxpayers, should all be grateful that in Mr. Selmi, we have an official who stands up for our interests, even though he is subject to the ridicule and scorn of our present city councilmen.

Next week, I shall review our present city council's million dollar budget and how your tax money is being spent. I guarantee it will make interesting reading.

Why P. G. and E. and your appliance dealer make this unusual offer

3. *An automatic dryer cuts down on ironing* . . . because sheets and towels come out practically wrinkle-free, ready to fold away!

4. *An automatic dryer costs only pennies a week to operate* . . . thanks to P. G. and E.'s low, low rates.

Theresa Dydo Is Wed To Richard Varney At OLPH

Our Lady of Perpetual Help church was the scene of the wedding of Miss Theresa Joan Dydo and Richard Varney on February 26. Father Norman Allen officiated at the ceremonies.

The bride, a graduate of Mission High school, is the daughter of Mr. and Mrs. Theodore Dydo of 430 Price street. She is employed with a San Francisco department store.

Her husband, who just completed basic training with the army, is the son of Mr. and Mrs. Randolph Varney of Walnut Creek.

For her wedding, Mrs. Varney wore a white gown fashioned of satin, tuling and lace and featuring a high neck and long sleeves. Lace on the back of the wedding gown formed a chapel train. The bride carried a colonial bouquet with an orchid in the center, and her fingertip length veil fell from a small crown.

Mrs. Frances Schmidt of New York served as her cousin's matron of honor. Her dress was of pale yellow taffeta and net. It featured a full ballerina length skirt, strapless bodice and a net stole. Mrs. Schmidt carried a colonial bouquet of lavender sweetpeas and wore a small yellow cap.

Best man duties were undertaken by Norman Tidd of San Francisco.

For her daughter's wedding, Mrs. Dydo wore a turquoise taffeta and lace dress, complimented by pink accessories. The groom's mother, Mrs. Varney, was gowned in a lavender taffeta dress and also wore pink accessories.

Reception for 100 guests was held at the Dydo residence which was decorated with lilies for the occasion. Leaving the reception, the bride wore a gray fitted suit with black accessories.

The couple honeymooned at Lake Tahoe, after which the bride returned to her parent's home to wait until she might join her husband.

Fashion Show Report Is On OLPH Agenda

Regular meeting of the Mothers club of Our Lady of Perpetual Help school will take place Friday evening in the school auditorium at 8 o'clock. Of great interest to the members will be reports on the fashion show which was held last Sunday.

The show proved a tremendous success as about 500 ladies were in attendance. The luncheon was served promptly at 1 p.m. and at 2 p.m. the first of the models, Emily Wetta, made her appearance, on the runway modeling a three piece "Rainbow Group" play outfit. Mrs. Wetta was followed by other models chosen from the membership of the club and their children.

The hall was beautifully decorated by Peter Lofrano in an Oriental theme. Chinese lanterns, ming trees and cherry blossoms filled the hall. Guests were greeted by the door and taken to their seats by hostesses in Mandarin costumes. Commanding many glances of admiration was the stage with its new draperies flanked on either side by massive jars of cherry blossoms.

Almost every member of the Mothers Club assisted in some capacity to make the affair a success. Mrs. Dorothy Carrington, general chairman, thanks all who had given so generously of their support. The fashion show, which everyone agreed was an outstanding social success, was also a financial success, according to the general chairman. Proceeds of the affair, as with all Mothers' club events, will go to benefit the school fund.

"Put Ability In Government"

Paul Hupf
An Independent Candidate
Will Work For New Industry

Homeowners in Daly City are bearing 95 per cent of the tax burden. The reason is simple — there are virtually no high valuation industrial or commercial developments. Therefore, individual homeowners must bear the cost of providing municipal services. In South San Francisco, for example, industry constitutes 50 per cent of the community's assessed valuation. In Daly City, industry makes up less than five per cent of the total valuation.

An aggressive but sensible policy of offering reasonable inducements to industry and promoting Daly City should be carried out in conjunction with the local Chamber of commerce. A comprehensive survey showing potential industrial and commercial areas should be made.

New industry will mean a higher economy for the city and less taxes for the average citizen.

Robert Fontes To Wed Miss Jean Lynott

Robert A. Fontes will take Miss Jean Lynott as his wife on April 1, it has been announced by the bride elect's parents, Mr. and Mrs. Nolan Vickers of 3468 Mission street.

Fontes spent most of his time in the Navy on a destroyer in Japan and Korea. He and his bride-to-be are employed by the Pacific Telephone and Telegraph company. After a two week's honeymoon in the southern part of the state, they plan to make their home in Daly City.

Pack 261 Applies To Renew Charter

Final plans were made here last week to revive Cub Pack 261, sponsored by the Dads club of Holy Angels church.

At a meeting held Friday night at the home of Mr. and Mrs. James Shields, of 32 Edgeworth street, Colma, district scout officials accepted from the Pack committee members an application for renewal of the group's charter. The charter was to have expired the end of this month.

With the Pack's status officially reinstated, the way is now open for the committee to resume regular activities and reorganize its membership roster. These details will be discussed at a parent-youth meeting Friday, March 23, at 8 p.m. in the parish hall of Holy Angels church, San Pedro Road, Colma.

Present at last week's meeting were C. Russell Manley, Lake Merced district scout commissioner; Paul F. Zimmerman, neighborhood scout commissioner; James Shields, pack committee chairman; Rev. Father Quinn, of Holy Angels church, Pack chaplain; Eugene O'Brien, 851 Thornhill, Colma, Cubmaster; Eugene Moretti, 139 W. Also present were Mrs. Mary Jane O'Brien, the Cubmaster's wife, and Mrs. Shields, who prepared the refreshments.

Dinner To Fete Daly City Anniversary, St. Patrick

Celebration of Daly City's 45th birthday March 18 will be joined with the observance of the feast day of St. Patrick who first saw the light of day 1573 years ago.

According to Father James Bergin, pastor of Our Lady of Perpetual Help church and a recognized Irish scholar, St. Patrick was born in Dumbarton, Scotland, in the year 383. The date of his birth is unknown. March 17 is the day set aside in the church calendar to give honor to the great Apostle of Ireland and this day is widely observed throughout the world. Daly City has something in common with St. Patrick as undoubtedly the forebears of John Daly, after whom our city is named, in the distant past knew the great Irish saint.

Judge William Sweeney who played an important part in the incorporation of Daly City on March 18, 1911, will head a group of "old timers" attending the St. Patrick dinner, dance and entertainment next Saturday evening in Our Lady of Perpetual Help school auditorium. At midnight a special cake baked by Karl Kettler of the Relish Bakery, bearing 45 candles and the coat of arms of the Daly City family will be carried in a grand march lead by the Irish Pipers

A salute to Daly City in the form of a special arrangement of music and prose under the direction of Doctor Leo Mahan and Francis Duffy will climax the celebration

All plans have been made for a trip to the planetarium in Golden Gate park for the students in our fifth grade class

The group will leave Crocker school at 10 a.m. and return at 2 p.m., on Wednesday, March 7th. Lunch will be eaten out of doors in our lovely park.

Yesterday, under the direction of Mrs. Clarke the class had a painting lesson. Some of the paintings will be displayed in the hall.

Fifth and Sixth Grade

Our class visited the United Airlines Maintenance base on February 23rd. We saw many more instruments and equipment this time than we saw last time at the International Airport.

We went inside a DC-6. I noticed that the window in the nose is very small. Our guide said that the window is small because the pilot can see where the ground and the sky meet.

Our class is working on pinatas. Each person is making a different pinata of famous men in early American history.

Let's Have The Facts
Since the present city council boasts that taxes have only gone up 10% since 1952 when they took over, I believe that the true facts from the official records will interest you as a taxpayer:
Here Are The Facts

Year	Total Valuation	Tax Rate	Money Raised
1951	$16,138,364	$1.29½	$208,991.81
1952	$18,434.790	$1.38	$254,400.10
1953	$21,065,915	$1.38	$290,709.63
1954	$22,518,195	$1.43	$322,010.19
1955	$27,117,695	$1.43	$387,782.03

An 85% Raise In Cost Of Government
Don't be fooled by tax rate talk. They raised your assessed valuation to get more money.
NOW ADD $72,000 from the parking meters that went into their general fund instead of buying off street parking facilities.
NOW ADD $71,760 per year for your garbage collection at 65c per month that was formerly free service.
NOW ADD $27,600 per year for the 25c monthly discount for prompt payment of your water bill that they discontinued.
Our present city council evidently proceeds upon the theory that the Daly City voters are uninformed. However, I believe that now, when you know what has happened to our city during the last four years, you will realize we can no longer afford an inefficient, unbusinesslike city administration.

SUMMARY: In 1946 the Hilltop Cab Co. was granted three permits. Several years later they bought out the Daly City and the Royal Cab Companies giving them a total of seven permits. This Company owned by three Daly City men and with the city's welfare and growth in mind has never deviated from this policy:

HIRING DALY CITY EMPLOYEES—95% are at present Daly City citizens, and all are from this section of the County.

PURCHASING: All equipment, gas, oil, tires, tubes, advertising, repairs, servicing, upholstering and also insurance where available is spent with Daly City merchants.

We have never charged a dismissal fare of one dollar as have the other taxicab companies of S.F.

We were the first to install two-way radio dispatched cabs in the area this side of the bay. Installed two direct lines in the shopping district of the Westlake area.

Have a direct line with the Police Department to our office. Each cab is alerted to report anything that is pertinent to the city. The Chief of Police has said that each cab is equivalent to having another prowl car in service.

OUR CAB COMPANY HAS OPERATED ABOVE REPROACH, AND AT NO TIME HAVE WE CONDUCTED A BUSINESS THAT WE CANNOT BE PROUD OF.

Our neighboring city of South San Francisco has only one Taxicab Company.

At the present time we are operating five cabs during the peak hours, Monday through Saturday, and three cabs on Sunday. The Hilltop Cab Company is for sale. A year ago one of the partners was offered $6,000.00 for the company by Mr. Rothchild of Yellow Cab Co. The minimum cost of putting a cab on the street is $3,450.00. Our equipment at the present time consists of two 1953 cabs, three 1955 cabs and one 1956 cab with radio station, office, and stands.

We are not monopolists as are some of the people who are now complaining, but legitimate people who are realizing a very small profit from their investment.

Surely after the years of faithful and non profitable operation we should be given first consideration when the question of new taxicab applications comes before the council.

irst Unsuccessful, oosters Make Good

After an unsuccessful attempt wo weeks ago, car boosters re-urned to a local used car lot Sat-rday night and made off with uto parts valued at $81.

Victim was Hart's Used Car, 420 Mission street. Owner Hart hadrick said the thieves jacked p the rear of a 1954 Cadillac and ok both rear wheels and the pare tire.

Two weeks ago, according to roadmoor police, an unsuccessful ttempt was made to break into a ned at the used car lot.

Jefferson Mermen Swamp San Mateo

Grabbing first place in every event the Jefferson high school varsity swimming team opened its 1956 NPAL season by crushing San Mateo, 55-11, March 1 in the Indians' pool.

The Indians also won the 30's division, 44-22, and squeaked by in the 20s' meet, 25-23.

Dan Craig took the 50-yd. freestyle in :28.7, and the 100 freestyle in 1:07. Other Jeff winners were Galinod, 2:26.4 in the 200 free; DeLucchi, 1:13.7 in the 100 breast; Lippert, 1:06.5 in the 100 back; and Andy Ruelas in diving.

Second and thirds proved the margin of victory in the Indians' win in the '20s division.

Jefferson drew a bye this week, and sees action next Thursday against Carlmont at Carlmont.

Jefferson Yearlings Tie Sacred Heart 9

Jefferson High school frosh-soph baseball club played on about as even terms as possible Wednesday as they wound up in a 5-5 tie with Sacred Heart.

The game ended after 6½ innings, with the Indians having one more up, as both coaches had agreed not to start an inning after 5:30 p.m.

Both clubs got five hits, all singles.

Jefferson held a 5-2 advantage going into the seventh, but two errors, a single and a walk brought in the tying runs.

Gary Ryan, who tossed a perfect game last week, worked on the mound all but the first inning for Jeff. Tossing the initial heat was Paul Tapia, who gave up one run, one hit and walked two men.

Picking up singles for Jeff were Wayne Lewis, Ryan, Syd Swanson, Dick Fudge and Ross Holmgren.

Van Alstyne On Star Squad Against 49rs

Byron Van Alstyne, frosh-soph baseball coach at Jefferson high school, and Dick Milkovich, formerly with the Daly City recreation department, will be in for a rough evening when they and their San Bruno all-stars teammates meet the San Francisco 49ers basketball team tomorrow (Saturday) night at the Capuchino high school gym at 8 o'clock.

A 6:45 preliminary game pits a Capuchino faculty team against the faculty of another peninsula high school. Tickets are $1 for adults and 50 cents for students.

WESTLAKE MERCHANTS SQUEEZE BY PISA 9

Westlake Merchants hardball nine boast an even .500 won-loss record in the SF Managers league after edging New Pisa, 4-3, at Funston diamond Sunday.

Both teams got seven singles, but Westlake held the edge in strategy, squeezing across two runs in the second inning.

Leo Giannechini, former Jefferson High school pitching whiz, worked five innings for the Merchants, allowing three hits and one run. Ronnie Root finished up, handing out four hits, no runs.

This Sunday Westlake takes on Leslie Salt at Funston No. 1, starting at 11:30 a.m.

Coach Jack Ingles' other club, the Westlake Jrs., champions in the recently-concluded SF Saturday league, remain idle until April 29 when they will compete in the Nealon benefit game.

Vuillemainroy, Leveroni Combine To Toss 6-0 Shutout Over Polytechnic

Ray Vuillemainroy and Ed Leveroni combined to throw a 6-0 shut-out at Polytechnic Wednesday, as the Jefferson High school varsity chalked up their second straight win after losing the opener.

The Indians offense suddenly caught fire, as they banged two Poly pitchers for 13 hits, four more than they had in the two previous games combined.

Vuillemainroy, in his first start on the mound this year, worked five innings, giving up only three hits and striking out four batters. Reliefer Leveroni retired the side in one-two-three order in his two frames, and struck out four batsmen.

The big bat attack was led by first baseman Bob Bailey, who got two singles and a double in five trips to the plate. Ino Patron got a pair of singles in three tries, Bill Strassburger picked up two one-base hits in four outings, and Bob Grubb grabbed two singles in three attempts, and scored two runs.

Vuillemainroy helped his own cause with a triple, the game's biggest blow, driving in a run.

After tallying one run in the second frame, the Indians got in their best licks in the third inning, pushing across three runs. Bailey opened the frame with a double, and Tom Cloutier walked. Mike Wedlake advanced both runners with a sacrifice, and Ron Cryer sent home a run as he grounded out. Grubb was walked, and Cloutier sped home on a passed ball. Vuillemainroy then smacked his triple, knocking in Grubb. In the sixth the Daly City club got two more counters on three straight singles.

The Indians pulled off two double plays, both of them going from Vuillemainroy to Patron to Bailey.

Grubb saved Vuillemainroy's shutout in the fifth inning with a diving catch in left field.

The Indians travel to the East Bay today (Friday) to meet Oakland High, and face Burlingame next Tuesday on the Daly City diamond.

Spikemen Show Balance In Crushing St. Ignatius

Showing balanced strength in their triple sweep over St. Ignatius Friday, Jefferson High school's three track teams will play host to Lincoln of San Francisco today (Friday).

The varsity easily vanquished SI last week, 87-26, while the local 30s were winning, 92½-19½, and the 20s were claiming a 57-11 victory.

Weightman Jim Farley was a double winner for the varsity, claiming the shot put with a heave of 42' 5", and taking the discus with a toss of 112' 6". Jerry Howard picked up two firsts; annexing the 180 lows and the broadjump.

The unlimiteds took every first but two. Don Wiesner's 16.4 clocking was tops in the 120 high hurdles, while Ron O'Rourke captured the 10-yard dash in 10.4. Jerry Howard's 22.4 led the field in the 180 low hurdles, and his 19' 2½" broadjump was best in that event.

Lowell Klaisner showed the form that made him a leading sprinter last year as he won the 220 yard dash in 23.7 and finished second behind O'Rourke in the century.

Rich Johnson bettered by ten seconds his best time in the mile as he won the four-lapper in 4:56.1.

Bill Curtis high-jumped 5' 4" to win that event, and Jeff Chase claimed the pole vault, clearing 10' 9".

Three Jefferson 30s copped two events. Reed Grandy took the 660 yard dash in 1:34.3 and the 120 yard low hurdles in 15.6. George Rocchi broadjumped 18' 6" and high jumped 5' to annex both of these events.

Dave Harris won the weight events, putting the shot 45' and getting the discus off 99'. Other winners for the 30s were: Ron Molina, 70 yard high hurdles, 10.6; Bud Pollard, 330, :40; Andy Estigoy, 1320, 3:32.2; Roy Corner, pole vault, 9' 6".

The Indian 20s took every first place, led by Harvy Marston's two wins.

Marston toured the 120 lows in 15.9 and broadjumped 16' 7½" to capture these events.

Other winners: Andy Scalese, 75-yard dash, 9.1; Dave Dunbar, 330 yard dash, 43.5; Howard Marton, 150-yard dash, 17.7; Gordon Tydingo, high jump, 4' 8"; Carl Mecchi, shot put, 40' 2½".

All three Jeff relay teams won, the varsity going the 880 yards in 1:34.5, the 30s taking the 440 in 47.5, and the 20s winning in 51.8.

St. Gabriel Eagles Capture Class "A" Cage Championship

The St. Gabriel's Eagles edged St. Michaels, 29-27, Saturday in a thrilling game that gave them the class A championship and culminated the Daly City recreation department basketball league.

The Eagles had to come from behind to win. They finally captured the lead, 16-15, at the three-quarter mark. Then they traded baskets and the lead with St. Michaels during a torrid fourth quarter. St. Michaels actually had one more field goal in the fourth period, but three Eagle free throws were the difference.

Both teams played ball control basketball, and, after a slow start, St. Michaels broke the ice and lead, 9-7, at the half. An Eagle flurry near the end of the third period finally put them ahead.

Ron Calcagno of St. Michaels captured scoring honors with 13 points, and turned an excellent all-around performance. Mike Chase led the Eagles with 12 points, and did a good job on the boards.

The Eagles qualified for the championship game by defeating the St. Gabriel's Seagulls, 31-21, in the semi-finals. They had placed first during the regular season with a 10-0 mark.

St. Michaels whipped Laguna Salada, 38-21, to gain a spot in the finals. Previously they had come from behind to beat O.L.P.H. to qualify for the play-offs.

Calcagno once again led St. Michaels in these games. He was probably the league's best all-around player. Calcagno got help from center Jim Carroll and guard Tom Manney.

FROSH HURLER GETS NO-HITTER

Nine Perfect Innings

Gary Ryan lived up to the exploits of his cousin Don Delbon Friday as he tossed a no-hit, no-run practice win over Lowell for the Jefferson High school frosh-soph baseball club.

Ryan, a Brisbane youngster who is related to Delbon, former Jeff pitching ace, made his starting debut on the mound a perfect one in gaining a 3-0 win.

The 14-year-old right-hander struck out nine batters in seven innings, walked only one.

Jefferson wrapped it up early in the contest, on an error, a walk and two stolen bases.

Wayne Lewis led off and made first on the pitcher's error. Jim Wilson was then walked, advancing Lewis. On the next pitch, Lewis stole third, then added insult to injury by stealing home. While Lewis stole third Wilson pilfered second, and when Lewis flew for home plate, the larcenous Wilson took third, then proceeded to round out the double theft by scampering home with the second run of the inning.

In the third frame the Indians pushed across the third and final run on three singles.

The Jeffs picked up five singles, Lewis getting two and Ryan, Syd Swanson and Paul Tapia, one apiece.

For Ryan, it was the ninth consecutive inning of perfect pitching and his second win, as he worked two frames in the opener against Capuchino without allowing a hit or run.

The Indians have now one straight under Coach Byron Van Alstyne, and appear contenders for their second straight title.

The yearlings are scheduled to meet Sequoia here today (Friday) and see action three times next week — Monday against Sacred Heart at Silver Terrace recreation center, Tuesday against Balboa at Ocean View recreation center, and Thursday at Burlingame.

Indian 9 Defeats Balboa On Grubb's Blow In Eighth

Bob Grubb's eighth inning single with two men on scored Bill Strassburger to give the Jefferson high school varsity nine a 3-2 win over Balboa Friday on the Indian diamond.

With the score deadlocked, 2-2, Strassburger reached first when hit by Buc hurler Ernie Evans. With two out Tom Cloutier singled to set up Grubb's winning hit.

Jefferson jumped out to a 2-0 lead in the third inning when it bunched three hits together, but Balboa tied it up with two of its own in the fourth.

Tex Prentice, who took over mound duties in the fifth inning, received credit for the win. He struck out four and walked three. Starter Ed Leveroni fanned two and passed three.

Each team managed six hits. Strassburger and Eno Patron led the Jeff attack with a double each.

The Indian win was scored off of Evans, who is considered one of the top prep pitching prospects in San Francisco.

LEADERS TUMBLE IN DC BOWLING; WESTLAKE FIRST

The two-months reign of Vince & Fred over the Daly City-Colma Bowling league came to a halt Tuesday night at Brentwood, as the tavern gang was shut out three straight games by Westlake homes.

The triple win, paced by Stan White's high game and series of 219 and 608 lofted Westlake into first place with a 49-23 mark, ahead of V & F's 48½-23½.

Having their finest night on the alleys, Westlake amassed a 2677 team series, high for the evening. Besides White, three other members of the team hit over 500. Dick Keefer had a torrid 585, R. Alholm a 531 and H. Amstutz a 526.

Babe DeLuca was the only warm performer for V & F, posting a 569 series.

Only other triple victory of the night was turned in by Thur Meat, as they crushed Brentwood Lodge. Frank Thur's 535 series led both clubs.

Third-place San Pedro Lunch, which will be shooting for a higher standing against Westlake next Tuesday, captured a pair of wins over Starway Cocktails, as four team members hit over 500. F. Lister's 539 led all bowlers in this match.

Paul's Flowers dumped Daly City Cleaners twice, behind A. Larry's 551 series.

Carlos Pizzeria took a pair from Luce Meats despite 542 and 515 series by Chuck Jansen and Tony Barsuglia, respectively, of the meat men.

Criticism is a healthy thing in government. But when criticism is made, the voter should first consider the source and ask 'What are the critic's reasons?' Daly City has one of the finest police departments in the state and this speaks for itself as to the mayor's ability.

Part III - Police

BEFORE Before Joseph Verducci took office, personnel was inadequate. Equipment included 4 police cars, 2 motorcycles.

AFTER A chief is assisted by a lieutenant, 4 sergeants, 2 inspectors, 5 motorcycle officers, 17 patrol officers, and 4 other office personnel. Equipment includes 5 police cars, 1 undercover car, 5 motorcycles. Protection for individual's life and property is practically at the maximum. Daly City has amassed a traffic safety record equalled by few cities in the country. This is attributable to close enforcement of the law. Police now undergo regular firearms training. Where once the department was jammed into a cubby-hole at city hall, it now occupies modern spacious quarters at the building's entrance. Close enforcement of law has paid off in revenue for the city in the form of misdeameanor and traffic fines.

FUTURE More police equipment will be purchased and more personnel added to protect the lives and property of Daly City residents and to insure them of a "clean" city. Mayor Verducci will continue his policy of not tolerating any illegal operations and will vigorously work for prosecution of all violators. Further training programs for officers will be encouraged to maintain Daly City's police department as one of the finest.

COSTS Good police protection does not come cheaply, but our lives and property make this function of government one in which the investment is well repaid in returns. Before 1952, the budget of the department was slightly under $100,000, while last year it was $195,000. While facilities and services have been nearly tripled, cost is less than twice that of 1952. Revenues from fines not realized when enforcement was inadequate cut the costs today even further. Judicious spending has made it possible for Daly City's police department to rank among the state's best, and it is improving all the time.
